Our Garden

In the garden we like to be outside whatever the weather, we put on our wellies and puddle suits and enjoy splashing in lots of muddy puddles and making lots of extra muddy mud pies. We do lots of walking on the crates, zoom around on the scooters and trikes. We plant lots of vegetables and flowers and look after them throughout the year.

Small World

We like to have small world trays out each week at school, we like to link them to the different seasons and themes that we are doing such as space, construction, farm animals, under the sea and many others.

Practical life area

In this area of the classroom, we use many different tools for purpose such as tongs, tweezers, pipettes, scoops, screwdrivers, hammers, whisks and so many more.

We also do flower arranging, peel apples, polish metal, grate soap and screw and unscrew lids, just to name a few.

Art Area

We have lots of fun in the art area exploring all the different materials such as paints, junk modelling, making cards and creating models out of clay. There is always lots of things to use to make our amazing masterpieces.

Understanding the world

In this area of the classroom, we learn all about the world around us such as animals and their families, we do many fun experiments such as making the volcano erupt and we look at different cultures.

Home Corner

In our home corner we can dress up into lots of fun costumes and take on lots of fun roles such as being a doctor, fireman, builder, chef, hairdresser, Mums and Dads.

Mathematics

In the Maths area of the classroom we count spindles, stones, shells, buttons, beads and many other things and match them up to the correct number.

Construction

We have many different construction materials such as wooden blocks, lego, marble run and magnetic tiles. We make lots of towers, buildings, rockets and vehicles.

Sensorial

In the Sensorial area each activity focuses on one important quality such as colour, weight, shape, size, texture, sound or smell. In this area we have many activities some of these are the pink tower, knobbed cylinders, knobless cylinders, broad stair, colour box 1,2,3 and smelling bottles.

Book Corner

In the book corner we always have lots of lovely books for everyone to read and share. We also have many story sacks which have props for certain stories some of these are 'The Gruffalo, Three little pigs and the tiger who came to tea'.

Literacy

We have many different language activities such as a rhyming bag, eye spy basket and beginning sound box.

We also have a sound of the week box and encourage children to bring something in from home

beginning with that sound each week to share in our morning circle.

Dance and Yoga

Miss Lucy comes into school on a Thursday afternoon to teach us dance, we learn how to do different styles of dance such as ballet, modern and expressive dance.

We also have our very own yoga basket out all week so we can practice our yoga poses such as the tree pose and king pigeon.

Cookery

We like to do lots of nice cooking and baking at school, we use graters, measuring scales, sieves and many more different cookery tools to make delicious savoury and sweet treats to bring home to show our family. We do cookery on a Monday morning.

Piano and Music

On Tuesday afternoon Miss Lucinda teaches piano to all the children and they learn to play certain notes and read pieces of music.

We do also explore our musical instrument box often throughout our week, we like trying out new instruments and finding different ways to play them.

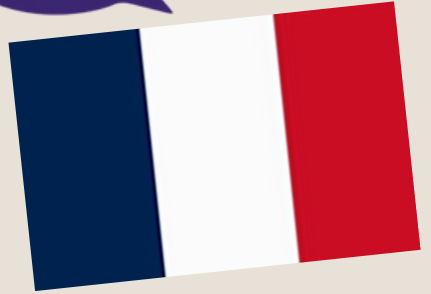

Our Stick Insects

We love our Montessori stick insects they are always very interesting to watch and they are very friendly. We like to go on little nature walks and find them fresh bramble for them to eat. We have learnt how to look after them and how to be careful when handling them.

French

On a Wednesday we have French with Miss Gaëlle. Each week we learn lots of new French words such as foods, colours, items of clothing, different types of transport, feelings, how to say our name and how to say hello and goodbye.

Sport

On a Friday afternoon Luke and Charlie come into to teach sport. They play many fun games and introduce us to new activities each week. This also helps us to follow instructions and strengthen our gross motor skills and balance.
